Life Choices là một trong những topic khiến rất nhiều người lo lắng. Aland đã suy nghĩ, phân tích và đưa ra lời khuyên cho những người đang suy nghĩ về việc công việc.

Secondly, we are also faced with an important decision when it comes to work, we need to decide whether we take a job working for someone or whether we put our nose to the grindstone and start our own business. And finally there are the typical adulthood milestones which bring a series of choices to be made. Lafley and Martin get to the heart of what’s important: how to make choices in order to control events rather than allowing events to control your choices. Everyone wants to win; this book sets down with calm authority the steps you must take to turn aspiration into reality. — Sir Terry Leahy, former CEO, Tesco. — Chip Heath, coauthor, Decisive: How to Make Better Choices in Life and Work. Playing to Win is a rare combination of depth of thinking and ease of use. It clearly explains what business strategy is and isn’t, and how to develop it. Instead of working to develop a winning strategy, many leaders tend to approach strategy in one of the following ineffective ways: They define strategy as a vision. Author: Valler, Paul. Get a Life.
