Published eight times a year, British Wildlife bridges the gap between popular writing and scientific literature through a combination of long-form articles, regular columns and reports, book reviews and letters. Subscriptions from £40 per year. Go to British Wildlife. Conservation Land Management. 4 issues per year 44 pages per issue Subscription only.

Conservation Land Management (CLM) is a quarterly magazine that is widely regarded as essential reading for all who are involved in land management for nature conservation, across the British Isles. CLM includes long-form articles, events lists. Anyone who reads the Great Books of The Western World would acquire an incredible foundation across many disciplines. And, if that is what you are seeking then begin. The concept of Great Books has become the storm center of a politically correct whirlwind. The Great Books that have formed the very cornerstone of Western culture are all too often demonized as anti-feminist, imperialist, hegemonic, and overly prone to promulgating the defunct ideas of Dead White European Males. Clifton Fadiman and John S. Major in THE NEW LIFETIME READING PLAN wisely avoid a direct refutation of such charges. Scafell Pike: extract from The Mid-Western Fells. Mark Richards. Pamphlet. “Fellrangers” are inspirational and thorough - and together the eight books in the series provide a comprehensive and contemporary guide to the fells of the English Lake District. The guides in the “Fellranger” series are ideal for practical use outdoors, and are equally useful for armchair planning. Each fell has its own dedicated chapter, and the variety of routes on the fell are carefully depicted on Harvey maps and fellscape diagrams.
