
The annual Sustainable Development Goals Report provides an overview of the world’s implementation efforts to date, highlighting areas of progress and areas where more action needs to be taken to ensure no one is left behind. Using the latest data and estimates, this annual stocktaking report on progress across the 17 Goals shows that it is the poorest and most vulnerable – including children, older persons, persons with disabilities, migrants and refugees who are being hit the hardest by the effects of the COVID-19 pandemic.

This report on Finland’s prospects for economic growth in the Arctic and Northern regions was commissioned from Finland’s former Prime Minister Paavo Lipponen by the Confederation of Finnish Industries EK, the Finnish Energy Industries, the Finnish Chemical Industry, the Finnish Hospitality Association MaRa, the Confederation of Finnish Construction Industries RT, and the Federation of Finnish Technology Industries, as well as.

It is equally important to commit ourselves to the action plan that determines the responsible actors, contributors, and follow-up. Structure Bookmarks. Program Progress Report. Table of Contents.

Introduction Program Results and Impact Environmental Results Snapshot Progress at the 20 Urban Waters Locations Five Star Urban Waters and Environmental Justice Grants The Urban Waters Learning Network Federal Partner National Accomplishments 3 4 5 6 27 28 29. Introduction. O. This Progress Report summarizes the accomplishments and significant milestones of the Urban Waters Program (UW Program) working in 20 urban locations across the country. The UW Program Report card results will help develop a roadmap and workplan for collaborative actions to improve the Partnership watersheds and encourage partners and the community to engage in issues that affect them.
