

[PDF] The Gospel According To John (The Pillar New Testament Commentary (PNTC))

D. A. Carson - pdf download free book

Like any other commentary series, The Pillar New Testament Commentary has specific aims. Designed both for serious students and for general readers of the Bible, the PNTC volumes seek above all to make clear the meaning of the text of Scripture as we have it. The scholars writing these volumes interact with the most important, informed contemporary debate yet avoid undue technical detail. Their ideal is a blend of rigorous exegesis and exposition, scholarship and pastoral sensitivity, with an eye alert both to biblical theology and to the contemporary relevance of the Bible.

While the New International Version is the translation of choice for the English text, Pillar authors base their exposition on the Greek New Testament. They are deeply committed to a fresh wrestling with the text, using every means at their disposal to "loosen the Bible from its pages" to help readers understand what the text says and how to apply it to life today.

Underlying the approach of this series is the fact that God stands over against us rather than in our judgment of him. When God speaks to us as his Word, those who profess to know him must respond with reverence, a certain fear, a holy joy, and a yearning obedience. These attitudes are reflected in the profoundly Christian stance of the PNTC authors toward the text. With these values in place, the Pillar commentaries will continue to be warmly welcomed by pastors, teachers, and students everywhere.

Description:

In this solid evangelical commentary on John's Gospel, a respected Scripture expositor makes clear the flow of the text, engages a small but representative part of the massive secondary literature on John, shows how the Fourth Gospel contributes to biblical and systematic theology, and offers a consistent exposition of John as an *evangelistic* Gospel. The comprehensive introduction treats such matters as the authenticity, authorship, purpose, and structure of the Gospel.

The Pillar New Testament Commentary, designed for serious readers of the Bible, seeks above all to make clear the meaning of the text of Scripture as we have it. Writers of the PNTC volumes interact with the most important, informed contemporary debate yet avoid undue technical detail. Their ideal is a blend of rigorous exegesis and exposition, scholarship and pastoral sensitivity, with an eye alert both to biblical theology and to the contemporary relevance of the Bible. John's comment in this verse is therefore simultaneously a theological indictment and a step toward the further explanations in the next verses. Misunderstanding is frequently followed by explication in this Gospel. Download. The Gospel according to John (Pillar New Testament Commentary) by Carson D. A.epub. The Gospel of Matthew (New International Commentary on the New Testament). R.T. France. 4.7 out of 5 stars 5. With this acclaimed volume in the Pillar New Testament Commentary series, Carson seeks above all to explain the text of John's Gospel to those who minister the Word of God to others, either by preaching or by leading Bible studies. However, the commentary is also designed for used by informed laypersons for purposes of personal edification.

The pillar new testament commentary. General Editor. D. A. CARSON. Commentaries have specific aims, and this series is no exception. Designed for serious pastors and teachers of the Bible, the Pillar commentaries seek above all to make clear the text of Scripture as we have it. The scholars writing these volumes interact with the most important informed contemporary debate, but avoid getting mired in undue technical detail. Their ideal is a blend of rigorous exegesis and exposition, with an eye alert both to biblical theology and the contemporary relevance of the Bible, without confusing the commentary and the sermon. The rationale for this approach is that t The Gospel According to John is a part of the Pillar New Testament Commentary series. It provides a comprehensive introduction to the Gospel of John. It was published in 1990 and written by D. A. Carson, who is also the General Editor of the series. In 1992, Christianity Today magazine awarded it Number 1 Critic's Choice for Commentaries and Runner-up Reader's Choice. The Gospel According to John (Pillar New Testament Commentary) at Google Books. The Pillar New Testament Commentary, designed for serious readers of the Bible, seeks above all to make clear the meaning of the text of Scripture as we have it. Writers of the PNTC volumes interact with the most important, informed contemporary debate yet avoid undue technical detail. Their ideal is a blend of rigorous exegesis and exposition, scholarship and pastoral sensitivity, with an eye alert both to biblical theology and to the contemporary relevance of the Bible. To date, the Pillar New Testament Commentaries have been consistently excellent. This is largely due to the fact that D.A. Carson is the general editor. Carson's Gospel of John set the bar very high. It shows his usual exegetical care and insight. Very highly recommended to any who wants to understand better the Gospel of John. Tim Challies, Pastor and Author. The experts agree that Carson's is the best in the field . . . The Gospel of John is one of the most popular and beloved books in the Bible, and this fact is reflected in the sheer number of available commentaries on the book. John is so theologically rich that I have found help and insight in a large number of commentaries. Choosing a top five, therefore, is more difficult with this book than it is with most of the others. In addition to Dr. Sproul's commentary, the following are the five commentaries on John that I have found the most helpful. To date, the Pillar New Testament Commentaries have been consistently excellent. They are all thorough and readable, a rare combination in commentaries. I believe the consistent excellency of the series is largely due to the fact that D.A. Carson is the general editor.
