Variational Methods for Discontinuous Structures: International Workshop in Villa Erba (Cernobbio), Italy, July 2001 (Progress in Nonlinear Differential Equations and Their Applications) Hardcover   January 17, 2003. by Gianni Dal Maso (Editor), Franco Tomarelli (Editor). See all formats and editions Hide other formats and editions. Book Editions for Variational Methods For Discontinuous Structures. 1 results. Subtitle International Workshop at Villa Erba (Cernobbio), Italy, July 2001. Edition 0th. Author Dal Maso, Gianni, Tomarelli, Franco. Dal Maso G, Tomarelli F: Variational methods for discontinuous structures: international workshop at Villa Erba (Cernobbio), Italy, July 2001. In Progress in nonlinear differential equations and their applications ; v 51. Basel ; Boston , Birkhauser; 2002:x, 185 p.. Google Scholar. 6. Haar Romeny B: Scale-space theory for computer vision: 1st International Conference, Scale-Space '97, Utrecht, The Netherlands, July 2 4, 1997: proceedings. In Lecture notes in computer science ; 1252. New York , Springer; 1997:ix, 364 p.. Each method excels from certain interesting angle or levels of approximations but is also inevitably subject to its limitations and applicabilities. On the other hand, at some deeper levels, they share common grounds and roots, from which more efficient hybrid tools or methods can be developed. This highlights the necessity of integrating this diversity of approaches." There is an introductory preface and 7 chapters, many illustration figures, an index and an extended bibliography of 330 entries. Variational Methods for Discontinuous Structures : International Workshop at Villa Erba (Cernobbio), Italy, July 2001. G. Maso, F. Tomarelli. Geography.
