It includes: Body language cues, thoughts, and visceral

responses for 130 emotions that cover a range of intensity from mild to severe, providing innumerable options for individualizing a character's reactions A breakdown of the biggest emotion-related writing problems and how to overcome them Advice on what should be done before drafting to make sure your characters' emotions will be realistic and consistent Instruction for how to show hidden feelings and emotional subtext through dialogue and nonverbal cues And much more The Emotion Thesaurus , in its easy-to-navigate list format, will inspire you to create stronger, fresher character expressions and engage readers from your first page to your last.
