By Al Roker. eBook.Â The hundred recipes in this book are casual and simple -- just the way Al likes to cook for his family and friends. Like most of us, Al first learned to grill at the knee of his dad, whose policy was "the more lighter fluid, the better." But a trip to the Memphis in May Barbecue Championship ignited a real passion, and since then Al's grills have rarely grown cold. And while Al does have some hard-and-fast rules, like "don't keep moving your meat around" and "never touch another man's grill," his food is simple yet inventive, impressive and deliciou The hundred recipes in this book are casual and simple -- just the way Al likes to cook for his family and friends. Like most of us, Al first learned to grill at the knee of his dad, whose policy was "the more lighter fluid, the better." But a trip to the Memphis in May Barbecue Championship ignited a real passion, and since then Al's grills have rarely grown cold.Â So why am I, Al Roker, qualified to write a book on grilling and barbecue? Actually, Iâ€™m no more qualified than you are, if you love the smell of wood smoke, or the hissing of food cooking over a fire, or the pop of hot fat hitting the flames. They say you should always write about what you know.
