Author : Rita S. Brause. Description:\*A practical guide for students with help on planning, writing and defending a dissertation\*Provides samples of accepted proposals and dissertationsIncreasing numbers of adults are enrolling in doctoral programs, but their earlier college lives often do not prepare them for the rules of academic game. Many have no idea what a dissertation proposal or an accepted dissertation Writing your Doctoral Dissertation offers a combination of the general rules, along with strategies for coping with the range of experiences you may encounter in your progress. The book will prepare you for some of the likely hurdles, offering guidance to avoiding conflicts, and to working through problems which are impossible to predict but will inevitably occur.Â As a reader of this book, you are a researcher. Writing your Doctoral Dissertation supplements any materials available at your institution.Â Writing Your Dissertation makes explicit the invisible culture of dissertation writing and thereby increases the likelihood of your success, avoiding the possibility that you will drop out of your program never having a clue about what was really expected.
