Soul on Ice is a memoir and collection of essays by Eldridge Cleaver. Originally written in Folsom State Prison in 1965, and published three years later in 1968, it is Cleaver's best known writing and remains a seminal work in African-American literature. The treatises were first printed in the nationally-circulated monthly Ramparts and became widely read for their illustration and commentary on Black America. Throughout his narrative, Cleaver describes not only his transformation from a marijuana Soul on Ice. From Wikipedia, the free encyclopedia.
