I originally bought this for a class I was taking but I ended up keeping it! I started college a couple of years ago and then I took a break for one year. Upon coming back I had to take a college class on being "Self-regulated learners". This class had this book as one of the required readings. This book really helped me get back on track with going to school At first, I really didn't think it would be much help but I think for many people just starting college or even later this book could be rather helpful. It helps with study tools and learning how to organize your schedule to help with all [PDF] Peak Performance: Success in College and Beyond 9th Edition.
