Arctic Policies and Strategies – Analysis, Synthesis, and Trends. by Lassi Heininen, Karen Everett, Barbora Padrtova, and Anni Reissell. Preface. I am confident that this publication will become a topical and useful reference book for all those involved in the drafting of Arctic strategies. I am very pleased that the Ministry for Foreign Affairs of Finland has been in a position to financially contribute to the publication of this study. The scientific report Arctic Policies and Strategies – Analysis, Synthesis and Trends delivers a holistic analysis of the policies, strategies, and declarations of the relevant Arctic stakeholders. It also includes new and/or emerging trends of Arctic governance and geopolitics in the early 21st century. Article contents. Abstract. The Arctic: environment, people, policy.
