The Little Princess is going camping. Everyone offers to help her, but she won't hear of it. "I want to do it by myself!" she insists. And so, she sets off all by herself to find a beautiful place to camp. When she arrives, she realizes there are a few things she has forgotten. "Do it by 'self' is a family phrase from my own young years, so I had to give this book a try. I liked it, but the nature of the illustrations might make it more suited for a one-on-one read than for a group storyline. There are a lot of tiny details that make the joke (the staff hiding in the bushes, for example) that would be harder to see in a larger group. Still, if you have a bunch in that independent stage, this might be a fun one to include. A Little Princess Story (Andersen Press Picture Books) [Ross, Tony, Ross, Tony] on Amazon.com. The Little Princess is a bit defiant (and rude at times, as she rejects all offers of help by putting her hand up and declaring "I want to do it myself!") but that adds to the charm. Also, she is not a pink-and-pretty type of princess, but more representative of real little girls, which I like. Read more. The Little Princess is going camping.
