## Description:

**From the Back Cover** Like a redwood that towers above all other trees, The Strongest Strong's takes James Strong's classic concordance to unprecedented heights. Reflecting thousands of research hours, custom computer technology, and an exclusive database perfected over twenty years, The Strongest Strong's is packed with features that make it the last word in accuracy and usefulness. No other Strong's concordance can touch it. This is no mere study tool. Destined to become a foundational resource for Bible study the world over, The Strongest Strong's is a landmark in biblical reference works.

## What Makes This Strong's the Strongest?

Rebuilding Strong's time-honored concordance from the ground up, biblical research experts John Kohlenberger and James Swanson have achieved unprecedented accuracy and clarity. Longstanding errors have been corrected. Omissions filled in. Word studies simplified. Thoroughness and ease of use have been united and maximized.

Kohlenberger and Swanson have also added the Nave's Topical Bible Reference System—the world's most complete topical Bible, updated, expanded, and streamlined to meet the needs of today's Bible user. No other edition of Strong's or Nave's gives you all the information combined in The Strongest Strong's

## A Stunning Array of World-Class Features

The Exhaustive Concordance of the Bible, generally known as Strong's Concordance, is a Bible concordance, an index of every word in the King James Version (KJV), constructed under the direction of James Strong. Strong first published his Concordance in 1890, while professor of exegetical theology at Drew Theological Seminary. The purpose of Strong's Concordance is not to provide content or commentary about the Bible, but to provide an index to the Bible. Page 1. Page 2. Part One. Strong's Concordance has usually been considered the standard because of the Greek & Hebrew references. Dr. James Strong and a team of scholars spent more than thirty-five years preparing the Strong's numbering system which has become the standard for identifying words with links to the original Greek and Hebrew words. With the numbering system tied to a particular word in English, the average lay-person can easily study the meanings of the Greek and Hebrew words. I like Strong's Exhaustive Concordance or its variants for a given translation. One thing I didn't mention is that the concordance has three parts: A concordance of English words in the English translation. A concordance of Greek words used in the Greek New Testament.]
