The Dake Annotated Reference Bible is like no other study Bible on the market. More than twenty years of painstaking research went into it. With 35,000 commentary notes, 500,000 cross/chain references and 9,000 outline headings, the Dake Bible gives you more resources for personal study than youâ€™ll find in any other Bible. Period. General History. The Dake Annotated Reference Bible is one of the oldest study Bibles available. It is the work of Finis Jennings Dake, culminating 43 years and 100,000 hours of Bible study. I would like to see Dake Publishing update the KJV edition to match the NKJV edition. There is a wealth of information on every page. This Bible excels at lists and facts and would be a good resource for sermon and class prep, and personal study. The Dake Annotated Reference Bible has more commentary notes (approximately 35,000 total) than any other study Bible on the market today. As always, Dake's commentary follows his principle of interpretation: take the Bible literally where at all possible. When the text is obviously figurative, then look for the literal meaning conveyed by it. In the broadest sense, every note in the Dake Bible is a commentary note. These notes contain Dake's comments. Here, though, they have identified different types of commentary, such as Chain Reference Studies, Biblical Context Studies, Word Stud
