

Democrats, Republicans, and the Politics of Women's Place. 309 pages. University of Michigan Press, 2004. 2004. Kira Sanbonmatsu. 9780472030200

What is the difference between Democrats and Republicans? This nonpartisan comparison compares and contrasts the policies and political positions of the Democratic and Republican parties on major issues such as taxes, the role of government, entitlements (Social Security, Medicare), gun control, immigration, healthcare and civil rights. Republicans in Congress opposed the Iran deal and the easing of sanctions against Iran. They also invited Netanyahu to deliver a speech against the deal. In general, women lean Democratic while support among men is roughly evenly split between the two parties. Gender gap in party identification (Pew Research Group, 2015). By Race. Perspectives on Politics. Volume 3 Issue 4. Democrats, Republicans, and the Politics of Women's English Français. Perspectives on Politics. Article contents. Extract. Democrats, Republicans, and the Politics of Women's Place. Published online by Cambridge University Press: 23 November 2005. Janet M. Martin. In her book, Kira Sanbonmatsu provides a compelling and evenhanded analysis of how political parties have come to embrace issues of gender. She provides a penetrating longitudinal and cross-sectional analysis of this response of political parties against a backdrop of the women's movement. [T]his book makes an important contribution to our understanding of the place of gender in American electoral and party politics in the last three decades." "Perspectives on Politics. . . . solidly anchored in the literatures of parties, elections, women and politics, and interest groups." "Given the author's focus on gender equality and political parties, Democrats, Republicans, and the Politics of Woman's Place is a valuable addition to scholarly collections and accessible to wider audiences. . . . Scholars studying the origins of public policy will profit from her analysis of gender issues by more fully understanding the nuances of the debate over women's issues, the agenda-defining role played by political leaders, and ways in which the public engages in these debates." Democrats/Republicans and the Politics of Women's Place by Kira Sanbonmatsu. September 2003 Political Science Quarterly. Doris A. Graber. Book review of Marjorie J. Spruill's "Divided We Stand: The Battle Over Women's Rights and Family Values That Polarized American Politics". View full-text. Article.
