Yes No. The Best Anarchist, Communist, and Socialist Books reading list covers nearly all the essential writers of left-wing philosophy and their essential texts. Being limited to 100 books the list is not complete and doesn't represent all the books worth your time. For example, Eric Hobsbawm's text on Marxism is included, and even though his 'Age of' series is essential reading it's not included here. The other lists on this site help to fill these gaps and all good socialists should be studying history, sociology, economics, etc. It's a good mix of history and ideology, introduces you to the various theorists involved in the history of socialism, and provides context for all of it. You can then read up on those theorists that interest you, be it Kautsky, Rosenberg, Gramsci, or Harrington himself. 2.8K views · View upvotes. 2.
