

Win By Not Losing: A Disciplined Approach to Building and Protecting Your Wealth in the Stock Market by Managing Your Risk // McGraw Hill Professional, 2013 // 2013 // Nick Atkeson, Andrew Houghton // 272 pages // 9780071812917

Horizontal, vertical, and related acquisitions to build market power: (A) are likely to undergo regulatory review and analysis by financial markets. (B) are rarely permitted to occur across international borders. (C) typically involve a firm purchasing one of its suppliers or distributors. (B) an increased risk of bankruptcy for acquiring firms. (C) the confidence of the stock market in firms issuing junk bonds. (A) Synergy resulting from an acquisition generates gains in shareholder wealth beyond what they could achieve through diversification of their own portfolios. (B) Private synergy results when the combination of two firms yields competencies and capabilities that could not be achieved by combining with any other firm. Over a million. titles available from more than 1,000 publishers. Over 40,000. customer reviews with an average rating of 9.5. Over 3 billion. digital pages viewed over the past 12 months. Over 7,000. Unlike most other investment books, Building Wealth in the Stock Market proposes a strategy for managing the all-important swings through bull and bear markets. This strategy is central to the plan, which is to get into a bull market early, ride it and get out again before the end. This strategy has proven its value in surviving the 1987 crash and the bear market that started in 2008. For the rest of us, who learn and struggle to make our way in the stock market, Colin Nicholson's new book is an invaluable resource. - - Dr Alexander Elder. The various risks to be managed are explained, along with strategies for managing them. Aspects also covered include: how to improve your decision-making skills, modelled on the way the best investors think.
