Teachers are arguably the most important members of our society. They give children purpose, set them up for success as citizens of our world, and inspire in them a drive to do well and succeed in life. The children of today are the leaders of tomorrow, and teachers are that critical point that makes a child ready for their future. Why are teachers important? Let’s count the ways:

Those who have an impact on the children of society have the power to change lives. Not just for those children themselves, but for the lives of all.

Photo by stem.T4L on Unsplash. How Teachers Bring Change in a Student’s Life. Great teachers have the ability to change lives for the better. Teachers can act as a support system that is lacking elsewhere in students’ lives. See more ideas about religious education, Sunday school crafts, education lessons. Lent is a time of prayer and reflection upon the Passion of Our Lord as we await the celebration of His Death and Resurrection on Easter Sunday and once again sing ALLELUIA! In order to help my students...

Our continuing Exploration through the Life of Jesus Has brought us to the time when Jesus performs another miracle. This time Jesus heals Jarius’ Daughter. We added NEW CARDS to our DO You Know? Wall. My Expectation is for the KIDDOS to be able to answer each of these by the end of the lesson. Sunday school, school for religious education, usually for children and young people and usually a part of a church or parish. The movement has been important primarily in Protestantism. He decided that young children, many of whom were employed in factories every day except Sunday, could be deterred from a life of crime if they were given basic and religious education on Sundays. In Europe, however, because religious instruction was usually given in the regular schools, the Sunday schools were not so important as they were in the United States, where the separation of church and state prohibited religious instruction in the public schools.

Various systems of teaching have been used in the Sunday schools.
