

Alwyn Crawshaw's Ultimate Painting Course: A Complete Beginner's Guide to Painting in Watercolour, Oil and Acrylic 2006 Collins, 2006 Alwyn Crawshaw 192 pages

9780007192823

In Alwyn Crawshaw's Ultimate Painting Course the artist encapsulates 50 years of painting and teaching in one volume. He begins with the basics: brushes paints and surfaces; choosing a medium; and the fundamentals of simple perspective color-mixing composition and tonal values. He then starts you off with simple three-color exercises which are followed by a number of helpful half-hour exercises. Finally there are more than 20 step-by-step demonstrations - in watercolor acrylics and oils - that feature landscapes seascapes and human figures. An outstanding guide for aspiring artists. Read full description. Useful for beginners, this is a practical guide to painting in watercolours, oils and acrylics. Painting Watercolors [First Steps]. This next book by Cathy Johnson is a good option for the absolute beginner. This guide provides a complete guide to using different tools and materials for painting and proper color mixing that makes the process of learning come easily to a beginner. There are times when we think that teaching ourselves the art of watercolor painting is pretty hard to achieve immediately. But that's not the case with this guide; everything we read is available in a simple form and everything we have to follow is broken down into the easiest manners possible. With a guide as such, we can start painting with watercolors efficiently within a few days. Moreover, the paintings we are able Alwyn Crawshaw's book would help any beginner or intermediately skilled painter with color mixing, choice of brushes, media selection, etc., and it has many charming, yet simple, scenes to paint as exercises. If you are trying to decide whether watercolor, oil or acrylic are best for you, reading the book and doing these exercises will help you decide. I highly recommend this book to budding artists everywhere. Read more.
