On Becoming a Leader (Get this book).

Leadership and Self-Deception (Get this book). A path-breaking leadership book on how self-deception can come in one’s way of realizing their true potential as a leader. It offers an important lesson in how we need to stop looking at others as merely resources to be used for some purpose and start looking upon them as real people with goals of their own to achieve.

Challenging conventional notions of leadership, the author shares his own unique understanding of what it means to be a leader, based on his real-life experience of leading the crew of a US Navy submarine. Learn why it is important for a leader to not only make the right choices but also to inspire others to lead for themselves, resulting in a better team effort on the whole.
