Architecture Without Architects: A Short Introduction to Non-Pedigreed Architecture is a book based on the NYC MoMA exhibition of the same name by Bernard Rudofsky originally published in 1964. It provides a demonstration of the artistic, functional, and cultural richness of vernacular architecture. Rudofsky had long been interested in vernacular architecture. In 1931 he completed his dissertation on vernacular concrete architecture on the Greek Cyclades islands. He was convinced that modernism, but Courtesy of SPARK Architects. Spark's Big Arse toilet could generate electricity in remote Indian villages. London, Singapore and Shanghai firm Spark has developed an easily transportable 3D-printed Big Arse toilet that converts human waste into electricity. SPARK Architects' 3D Printed "Big Arse Toilet" Transforms Waste into Energy in India. A new exhibit explores the engineer, architect, and contractor who turned everyday material into spectacular shapes. wish! This is my dandelion field... James Garvan Architecture take a home's North Bondi context and turn it on its head, to design a sustainable, optimistic, and contemporary response. Arch2O-Dovecote Studio-23 - Arch2O.com. Detail.
