Healthcare summer internships in New Jersey are pretty common, but don't expect to be in charge at the end of your internship! Usually, you'll have to work from the bottom up, but interns are much more likely to get a job offer from the employer they're interning with. If you decide to intern at a smaller company, you'll sacrifice the name prestige for other benefits, such as having an opportunity to see your projects go from start to finish. Simply gaining Healthcare experience is essential in order to provide value and creativity to the team. Ready to get started? Search for Healthcare
