There are 115 units in the book and each unit is about a different point of English grammar. There is a list of units at the beginning of the book (Contents). Do not study all the units in order from beginning to end. It is better to choose the units that you need to do. It is a grammar book. It does not deal with other aspects of the language. It is for elementary learners. It does not cover areas of grammar which are not normally taught at elementary level. It is a reference book with exercises. Organisation of the book There are 115 units in the book, each one focusing on a particular area of grammar. The material is organised in grammatical categories, such as tenses, questions and articles.
