180 Days of Writing for Second Grade: Practice, Assess, Diagnose. Brenda Van Dixhorn. 4.6 out of 5 stars 421. 3.0 out of 5 stars Good practice with pictures, very little true math Reviewed in the United States on 10 June 2018. This book was ok for identifying groups and shapes and patterns at an early age but it didn't have the kind of mathy kindergartner was learning or expected to learn/practice at home. That was more traditional 10+44 math, this book had very little of it, only some "look at the pictures and write the formula" with 3+1, etc > Educational Books & Workbooks. > Shell Education Practice, Assess, Diagnose (SEP50804) : 180 Days Of Math Book - Grade 1.
