Benefits of donating. When you donate a physical book to the Internet Archive, your book will enjoy This article is a brief Introduction to Administrative Law that talks about the origins and how its evolution came into being. It analyses some definitions of the subject given by many famous thinkers. History. Sir Ivor Jennings, a prominent British lawyer and academic who wrote popular books like "The Law and the Constitution", defines administrative law as "the law relating to administration." He believes it determines the organization, powers and the duties of administrative authorities. This formulation does not differentiate between administrative and constitutional law.[3] Massey criticises the definition of Jennings since it neglects to separate administrative and constitutional law.
