Ships from and sold by Amazon.com. The complete tax guide for Airbnb and other short-term rental hosts. As a short-term rental host, you're entitled to many valuable deductions and other tax benefits. This book's the first of its kind shows you how to make the most out of your hosting business without risking problems with the IRS. Learn everything you need to know about taxes, including: what deductions you should be taking how to report your short-term rental income how to deduct losses and vacation home and tax-free rental rules. Whether you rent your property through Airbnb, FlipKey, HomeAway, TripAdvisor, Craigslist, or VRBO, you want to make sure you understand these tax rules. This new edition is completely updated to cover the new Tax Cuts and Jobs Act. Categories Hosts on Airbnb can keep track of their payout status by having a look at their transaction history. In the event that a host has check-ins across different properties on the same day, the payment will be received all together in one. It is possible to have more than one payout method if you so choose. This way, you can bounce between the two if you want. Simply choose the one you want to use as your default method for payout on the account settings. Want to be the best Airbnb host? Start by creating the perfect profile today using this FREE guide!
