In this book, Father Carlos Miguel Buela (IVE) includes two articles pertaining to family life in the modern world. The first article, "Modern attacks against the family," seeks to penetrate the mission, essence, end and gifts of marriage and the family, as well as the enemies which attack them. The second article, "Catholic Courtship," provides some reflections on the important stage of marriage preparation and its impact on the future of the couple who seeks to become one in the eyes of God.
