The Bible is different from other books in many ways and that is why it has been read by more people and published in more languages than any other book. First, the Bible is different from other books in its teachings on prophecy, history, and per Outline of Bible-related topics Bible portal · v. t. e. The Bible (from Koine Greek βιβλία, biblía, "the books") is a collection of religious texts or scriptures sacred to Christians, Jews, Samaritans, Rastafari and others. It appears in the form of an anthology, a compilation of texts of a variety of forms that are all linked by the belief that they are collectively revelations of God. These texts include theologically-focused historical accounts, hymns, prayers, proverbs, parables, didactic The Other Bible gathers in one comprehensive volume ancient, esoteric holy texts from Judeo-Christian tradition that were excluded from the official canon of the Old and New Testaments, including the Gnostic Gospels, the Dead Sea Scrolls, the Kabbalah, and several more. The Other Bible provides a rare opportunity to discover the poetic and narrative riches of this long-suppressed literature and experience firsthand its visionary discourses on the
