Reader's Digest Condensed Books was a series of hardcover anthology collections, published by the American general interest monthly family magazine Reader's Digest and distributed by direct mail. Most volumes contained five (although a considerable minority consisted of three, four, or six) current best-selling novels and nonfiction books which were abridged (or “condensed”) specifically for Reader's Digest. The series was published from 1950 until 1997, when it was renamed Reader's Digest Select Eater's Digest.
