Academic Student Employee Titles and Duties. Teaching Assistant. A teaching assistant (TA) assists in the instruction of an upper or lower division course at the University under the supervision of a faculty member. For academic year employment at 25-50% time, a student must be registered full-time (12 units or more). A student enrolled in less than 12 units, with departmental approval, is eligible for a maximum of 25% time employment. A graduate student must be in good academic standing, i.e. Description: Academic Keys is the premier source for academic employment. Its 18 discipline-focused sites offer comprehensive information about faculty, educational resources, research interests, and professional activities pertinent to institutions of higher education. More than 89% of the top 120 universities (as ranked by US News and World Report) are posting their available higher ed jobs with Academic Keys. Senior Academic employment. Conditions of Employment guidelines for Senior Academic Positions can be found on the PTC Policies, Procedures and Guidelines webpage. To obtain a copy of a current position description for a Senior Academic Position, please contact your People, Talent and Culture (PTC) Business Partner at the local level. Employment procedures may vary slightly, but the fundamental process is described below. People interested in employment as a lecturer should contact the department chair, program director or dean's office to discuss opportunities. Click on the link for the current list of chairs and program directors. Academic Human Resources (AHR) will periodically post for lecturer positions on its job website. In addition AHR will post a description of this process, the contact information for department chairs, and related information.
