The Best Book About Lyndon B. Johnson (Appears on 6 Lists). The Path to Power (The Years of Lyndon Johnson, Book One) by Robert A. Caro. Lists It Appears On: Best Presidential Bios. Flawed Giant—the monumental concluding volume to Robert Dallek’s biography of Lyndon Baines Johnson—provides the most thorough, engrossing account ever published of Johnson’s years in the national spotlight. Drawing on hours of newly released White House tapes and dozens of interviews with people close to the President, Dallek reveals LBJ as a visionary leader who worked his will on Congress like no chief executive before or since, and also displays the depth of his private anguish as he became increasingly ensnared in Vietnam.
