Description:

About the Author

Naomi Ceder has been programming in various languages for over 20 years and has been a Linux system administrator since 2000. She started using Python for a variety of projects in 2001 and is an elected member of the Python Software Foundation. Naomi is the IT Director/Lead Developer for Zoro Tools, Inc of Buffalo Grove, Illinois, and is also an organizer of the Chicago Python Workshop and the CLC Linux Club. An advocate for open software and open content, Naomi gives talks to whoever will listen on Python and the benefits of teaching programming, particularly in schools.
