Customer reviews. 4.5 out of 5 stars. Normally, I shun the picture-laden guides and go with the dense, text heavy ones, like Lonely Planet; however, I was surprised at the amount of help that DK Eyewitness's Travel Guide for Greece Athens & the Mainland provided. The pull-out map of Athens was a lifesaver during our navigation of an unfamiliar city in a country that uses a non-Latin alphabet (my girlfriend and I are both native English speakers). Despite my prejudices, DK Eyewitness did a great job of providing information about Athens in particular and traveling in Greece in general. We did additional research online to complement the information in the book, but the Eyewitness Travel Guide did a great job of giving us a launching point for our trip-planning.
