Satir Step by Step reminded me of a night flight over the Egyptian pyramids, complete with an enthusiastic narration by the tour guide. Upon completion of the trip, one might fairly remark, "Yes, I've been to the pyramids, but I couldn't see much." The book is divided into two sections.Â If the hope is that the marriage will create an instant blended family with instant love for the partner's children, there will doubtless be grave disappointments. The feeling of blending does not usually arise for three to five years, and then only if the adults have been patient and understanding about the inherent difficulties.
