On his Overstreet Comic Book Price Guide cover, McFarlane included his dark anti-hero Spawn, which he created at Image. He also featured Marvel's flagship hero, the Amazing Spider-Man. Both figures are shown perching on a gargoyle, with Spidey affixed to its underside. Spawn remains the longest-running independent comic, with over 300 issues published. The character has inspired a 1997 live-action movie, an animated series on HBO and several action figures for McFarlane Toys.
