Terri Blackstock. "Parker tried to put it all together in her mind—the murders of Mick's half-sister and stepmother, the break-in at her house to leave the song sheets, the phone call promising to protect her, the way ...he'd followed her. Dreading another appearance in her life, she forced herself to finish recording the rest of her songs. While LesPaul forfeited sleep to mix the songs in the edit suite, she finished designing her album cover, got it to the printer Double Minds is a double treat--combining a compelling suspense novel with an inside look at the world of the Christian music industry in Nashville. Terri Blackstock grabs readers at page one and keeps them riveted until the final plot twist is untangled. Product Identifiers. Double Minds Can't Decide What Story to Tell and Suffers as a Result. I love mysteries and I love Christian music, so I figured a mystery set in the world of Christian music would be right up my alley. I was excited to read Double Minds by Terri Blackstock. Terri Blackstock can write a book that truly delivers. Double Minds isn't one of those books. It seems like a good story at the time, but when you finish, you realize how disappointing it really is. Read more. While I was writing Double Minds, a book about a struggling singer/songwriter, I had the privilege of meeting Erica Lane. Erica is an up-and-coming Christian singer who writes her own songs. She's the subject of a reality television show that her challenges as she tries to get a record contract and build name recognition. Buy a cheap copy of Double Minds book by Terri Blackstock.
