Who was George Washington? The story of America's first president. All Americans know about George Washington. He was the first president of the United States of America, and his face appears on the iconic one dollar bill. He has also given his name to the capital city of the USA, Washington D.C., and to a state, the state of Washington. No other American is quite so famous! An unforgettable president George Washington's portrait is on the iconic one dollar bill. If you had to sum up George Washington's life in one word, that word would have to be unforgettable. George's story is one In 1789, George Washington became the first president of the United States. He has been called the father of our country for leading America through its early years. Washington also served in two... This book is easy to read, easy to understand, filled with great information about who George Washington was and the wonderful impact he had on the formation of the United States. I read it to my boys (7 and 9) but it can be read by them alone. I highly recommend all of these Who Was books, they are well written and give a complete picture of the individual and their outstanding talents. We own over a dozen of them. You won't be disappointed! George Washington - The Founding Fathers, Boston Tea Party & The American Revolution Documentary. George Washington Bio. Biographies of George Washington number nearly as many as those for all other major figures in the American Revolution combined, and comprise only a portion of the literature of Washington altogether. The first biographer of George Washington was Mason Weems, famous for his anecdote of the young Washington chopping down a cherry tree, i.e. "I cannot tell a lie...", who first published his The Life of George Washington in 1800 and subsequently in 1804-1807 setting the tone for many popular biographies that eventually followed. Who was George Washington? Illustrate by True Kelley.

New York: Grosset & Dunlap. George Washington's first teacher was a poor sexton, whose name was Mr. Hobby. There is a story that he had been too poor to pay his passage from England, and that he had, therefore, been sold to Mr. Washington as a slave for a short time; but how true this is, I cannot say. Not many boys twelve years old would care for such a book nowadays. But you must know that in those days there were no books for children, and, indeed, very few for older people. The maxims and wise sayings which George copied were, no doubt, very interesting to him & so interesting that many of them were never forgotten. There are many other things also in this Young Man's Companion, and we have reason to believe that George studied them all. Who Was George Washington? has 7 reviews and 8 ratings. Reviewer pianodog8 wrote: I read this book because I saw a bunch of other kids reading the Who Was books. I really love history, and Who Was George Washington? was great, it gave lots of information about our first President. But I don't like it that much, in my own opinion.
