Here he attacked the "vicious abstraction" and attachment to the deductive method of the classical economists, blaming this for the low repute into which political economy had fallen. All Ingram's economic work displayed the holistic and normative outlook which he derived from Comte, but did not go far towards fulfilling the programme of historical and comparative studies to which his earlier critique of classical economics pointed. Selected Works. 1878. The present position and prospects of political economy. Address to the Trade Union Congress, Dublin, September 1880. Dublin: E. Ponsonby. 1888. A history of political economy.
