Peterson, 1877 Book digitized by Google from the library of the Indiana University. Article by Ravin' Mayven. 16. Peterson's Magazine (1842-1898) was an American magazine focused on women. In 1842, Charles Jacobs Peterson and George Rex Graham, partners in the Saturday Evening Post, agreed that a new women's journal to compete with Godey's Lady's Book would be a good venture. Peterson launched Ladies' National Magazine as a cheaper alternative to Godey's (\$2 per year instead of \$3) in January 1842. Ann S. Stephens was an early editor and substantial contributor to the periodical, and there was some attempt to Mr. Peterson talks about the attitudes that will help find the path. It is not a politically correct or officially approved path, but it is an intensely practical and yet heightened one: This life you're living has meaning. PEGGY NOONAN, Wall Street Journal Jordan Peterson is universally revered and feared for his incredible intellect and emotional insight. Reading about the book's chapters it seems that this is "another self help book that teaches the OBVIOUS", as JBP's critics have called "12 Rules for Life", but if "the obvious" would've been easily achievable, Mr. Peterson would not hold lectures all over the world explaining it, produce much more content than one can follow and now write a second.
