I’m not going to be your little toy. I just want you to end it.’” Curtis refused and attempted to rape Alicia again but she put up a fight. Mr Plumpton has recently been appointed to the Tasmanian Parole Board but because of his longstanding friendship with Alicia, he has recused himself from considering Curtis’s application. But he still risks his position on the board by speaking publicly about the case. “She is a victim of one of the most horrendous crimes. Follows the relentless pursuit of a mother for answers and the truth about her daughter’s disappearance. Keep track of everything you watch; tell your friends. Error. Please try again! With any luck, the killer is dismayed, consumed by grief and guilt. He lingers at the scene until police arrive, or leaves sufficient evidence behind to keep the manhunt brief. And then again . . . Like any other law enforcement agency, police in Dallas, Texas, have their share of unsolved homicides on file. Lethal Friendship will break your heart. Yet you will be encouraged-and educated-by Sue Young's commitment to seeking justice. It's a story told with difficulty, yet told well.-Zig Ziglar, Author and Motivational Teacher“Sue Young endured one of the most profound tragedies and traumas a mother can face: the abduction and murder of her daughter and then, twenty years later, the specter of early release of her daughter’s killer. Â ‘Lethal Friendship’ is an exception and I would read anything Sue Young produces, based upon the clarity, heart, and skill with which she tells this story. Â This book faithfully describes the struggles to convict and to keep a serial killer in prison. It also depicts a life of faith both on the part of Sue and Martha which is refreshing in this day of irreligious living.
