"The Bippolo Seed": A duck named McKluck finds a Bippolo seed, which will grow anything a person asks for on its branches. But a passing cat's suggestion that he wish for more quickly causes trouble. "The Bear, The Rabbit, and the Zinniga-Zanniga": A rabbit cornered by a hungry bear lies and convinces him he's dying from the lack of one eyelash, which might be able to be remedied by a Zinniga-Zanniga Tree... "The Bippolo Seed": McKluck loses the seed during a greed-induced Happy Dance, without ever getting even so much as his mundane wish for duck food from it. "Tadd and Todd": Tadd's efforts to differentiate himself from his brother come to naught as Todd matches him item for item. However, Tadd does ultimately decide it's not so bad being twins. The bippolo seed. One day a lucky duck named McKluck found an old, small, silver box. On top of the box was written: Who finds this rare box will be lucky, indeed! For inside this box is a Bippolo Seed! Plant it and wish! And then out up to three! Whatever you wish for, whatever it be Will sprout and grow out of a Bippolo Tree! McKluck decided he didn’t need much, just enough duck food for a week. So he dug a hole in the ground, but before he could drop in the seed he was interrupted by a large cat. A collection of short stories was published three years after The Bippolo Seed and Other Lost Stories. They both exist as publicized collections because of Charles D. Cohen who wrote the introduction. “The Bippolo Seed”: A duck named McKluck finds a Bippolo seed, which will grow anything a person asks for on its branches. The Bippolo Seed and Other Lost Stories is a collection of seven illustrated stories by children’s author Dr. Seuss published on September 27, 2011. Though they were originally published in magazines in the 1950s, they had never been published in book form and are quite rare, described by the publisher as "the literary equivalent of buried treasure". The stories were discovered by Charles D. Cohen, a Massachusetts dentist and a Seuss scholar/biographer, who also contributed an introduction to the. Although he has always been popular, to the extent of being a household name, Dr Seuss has never quite enjoyed the popularity he has in the USA here in England. I doubt there are many adults living here who couldn’t tell you the names of some of his most popular works, The Cat in The Bippolo Seed. The Strange Shirt Spot. Steak For Supper.
The three Dr. Seuss books I purchased, including *The Bippolo Seed and Other Lost Stories*, arrived in a flimsy fold-over cardboard package that did not protect the book corners from becoming bent and crumpled, and the package itself was open at two of the corners, leaving the books vulnerable to moisture and dirt. Because these three books will be handled by young children and probably become bent and dirtied in time anyway, I decided not to request a replacement. However, Amazon needs to show more care when they send out hardcover books, as First Editions, etc. lose a lot of their value to col They include *The Bippolo Seed,* in which a scheming cat leads an innocent duck to make a bad decision; *The Rabbit, the Bear, and the Zinniga-Zanniga,* about a rabbit who is saved from a bear via a single eyelash; *Gustav the Goldfish,* about a fish that grew and grew; *Tadd and Todd,* a tale about twins; *Steak for Supper,* about fantastic creatures. Some of these were later collected (in volumes such as *The Sneetches* and *Other Stories* or reworked into independent books (If I Ran the Zoo). A number have never been reprinted since their original appearances. In May 1954, Life magazine published a report on illiteracy among school children, which concluded that children were not learning to read because their books were boring. *The Bippolo Seed and Other Lost Stories* is a collection of seven illustrated stories by children's author Dr. Seuss published by Random House on September 27, 2011.
